

## PLSS Monument Restoration/Refurbishment Agreement

Department of Transformation and Shared Services  
 Arkansas GIS Office - Division of Land Surveys  
 501 Woodlane Street, STE G-04  
 Little Rock, AR 72201  
 501-682-4436

### Agreement

To restore U.S. Public Land Survey System Corners in the State of Arkansas per the current Division of Land Surveys document *Specifications for Investigation and Perpetuation of U.S. Public Land Survey Corners*.

### Payment

**\$300** per restoration that does not require monument replacement (use existing monument).

**\$500** per restoration that requires setting a new *Division of Land Surveys* monument.

An additional **\$50** to be paid per restoration for corners restored in Deficient Counties (page 2).

An additional **\$50** to be paid per restoration for corners restored with coordinates listed and certified to an accuracy of +/- 0.5 feet or better.

**\$1,000** per newly set Division of Land Surveys Monument in a Highly Deficient County (page 2). Coordinates with an accuracy of +/- 0.5 feet or better are required. This rate applies to newly set corner monuments only and does not apply to corners with an existing corner certificate.

**\$1,200** per newly set Division of Land Surveys Monument which is located on a county line between two Highly Deficient Counties (page2). Coordinates with an accuracy of +/- 0.5 feet or better are required. This rate applies to newly set corner monuments only and does not apply to corners with an existing corner certificate.

Coordinates must be in degrees-minutes-seconds format and values given to the thousandth of a second. Ex. 35°58'36.499", -092°28'04.011".

By signing my name below, I certify that I understand and will conform to the standards set forth in the *Specifications for Investigation and Perpetuation of U.S. Public Land Survey Corners*. My signature also certifies that all deliverables will be completed by myself or under my supervision.
